

CAREER OBJECTIVE

A highly motivated computer science student with a solid foundation in Programming language, Data Structures, Web Development, and Software Engineering. Eager to apply knowledge in real-world software development and contribute effectively in a collaborative environment.

EDUCATION

| | |
|--|-----------------|
| • Madan Mohan Malaviya University of Technology,Gorakhpur | 2025 |
| Master of Computer Application | CGPA:7.00 |
| • Mahatma Gandhi kashi Vidyapith,Varanasi | 2022 |
| Bachelor of Science | Percentage:66.2 |
| • Children Academy | 2019 |
| Class 12th, CBSE Board | Percentage:84 |
| • Children's Academy | 2017 |
| Class 10th, CBSE Board | CGPA:9.2 |

PROFESSIONAL EXPERIENCE

Internpe

July 2024 - August 2024

Web Development Intern

- Developed multiple web projects including a calculator, e-commerce website, to-do list, and Connect4 game, showcasing progressive learning and application of web technologies.
- Successfully debugged various web-related issues, resulting in improved efficiency and performance of web applications.

PROJECTS

•Weather App

HTML, CSS, JavaScript

- BUild responsive Weather App to fetch and display real time data using OpenWeatherMap API.
- Implemented dynamic UI updates based on live Weather condition including temperature, humidity,wind speed,weather icons and also handled API errors and user input validation.
- Integrated OpenWeatherMap API to fetch currently and 4 days forecast.

•Food ordering App

HTML, TailwindCss,React.js

- Developed using React,integrating live API to fetch to fetch dynamic menu items, ensuring real time data rendering
- Optimized UI with React Hooks and conditional rendering to manage live data from API
- Implemented Category Based filtering and search functionality on live data.

TECHNICAL SKILLS

Languages: C++, JavaScript

Frontend Development: HTML, CSS

Frameworks: React.js, Bootstrap, TailwindCSS

Databases: MySQL

Backend: Node.js, Express.js

Analytical Skills: Problem Solving, Critical Thinking

Tools: Git, GitHub, VS Code

Concepts: Data Structures and Algorithms, Object-Oriented Programming, REST APIs, DBMS, SDLC

CERTIFICATE

CSS basic certificate on Hackerrank

Certificate of Advance Diploma in Computer Application
